Annotation 1: New area suggested for inclusion in ward

**Comment text:**

As the ward councillor for the Hangers and Forest ward, on the whole I feel the ward boundaries should remain as they are, and having canvassed the three parish councils within my ward, Liss, Greatham and Hawley, they share this view. The one exception I have highlighted on the map, since the construction of the new link road from the A325 to the A3 (which was not in place at the time of the last review, it is the feeling of the residents of Greatham that the area highlighted should be in the Hangers and Forest ward rather than Whitehill Walldown as people locally very much regard this area of land as being in Greatham rather than Whitehill and Bordon.
