Feature Annotations

Map Features:

Annotation 1: Dauntsey Lane

Comment text:

Please Include the whole of Dauntsey Lane within the Grasslands boundary. Currently only one side of the road is included, the other side is in Anna. It makes no sense to divide a road in half. We attend the church in Thrupton, our children married there and we go to village events. The current boundary puts our side of the road into the Amport Ward. Amport is some distance away and is a place for which we have no affinity.
