Dear Sir,

Re: Knavesborough Wards.

I write to endorse the proposed change of Ward name from Knavesborough Teutergate to Knavesborough Castle Ward. The ancient castle goes back to Norman times and is an important part of the town's heritage. I'm also in agreement with the combination of the names Sciven and Teutergate, although historically this area was known as Sciven with Teutergate. I understand that the 4 Knavesborough Wards would be - Castle Ward - Sciven and (with) Teutergate - Eastfield - Aspin and Calcutt, and have been agreed by Harrogate Borough Council and Knavesborough Town Council with both councils accepting that there would be an electoral variance of 15% in Sciven and Teutergate in order to retain established community identities.

Yours Sincerely,
Malcolm Woodward
