*Ref Stanion and Corby Village in Northamptonshire*

*The A6086 should go straight along the road up to The Grove and not have the Weldon parish go into the Stanion Plantation which runs along the A6068*

*Also the boundary needs to change along Lloyds Rd at the roundabout it should not go along to Rockingham Rd as it cuts out Public Houses in the Village and at the roundabout it should go across up Cockrell Rd to the rail Line*

*Best Regards Ray Lilley*
