

Corby District

Personal Details:

Name: Jimmy Noble

E-mail: [REDACTED]

Postcode: [REDACTED]

Organisation Name: Corby Labour Group

Comment text:

The proposal to move three streets, Watson Close, White Post Court and Hooke Close into Rural West does not take into consideration of how the residence view their links with town and country. These three streets clearly sit in an urban ward and do not share any transport or community links with the four villages.
