Subject: Electoral Review of Harrogate: Draft Recommendations

Dear Sir or Madam,

Azerley Parish Council has now had the opportunity of considering the draft recommendations for warding patterns in Harrogate District.

This Council supports the proposals put forward, primarily because it ensures that Azerley Parish will be kept in one ward, rather than split between two. Whilst the Fountains and Ripley ward is a geographically large one at least all of Azerley Parish will be represented by the same member.

Yours faithfully,

Mrs Iona Taylor
Clerk to Azerley Parish Council
