Dear Sirs,

Electoral Review of Eastleigh Borough Council

West End Parish Council has now considered the proposed review and recommendations for the new electoral arrangements for Eastleigh Borough Council.

The Council have considered the arrangements suggested by Eastleigh Borough Council for West End parish. It is proposed that West End retains two two-member wards which would require no changes to the parish warding. The proposed Borough wards would be:

West End North – which will include the parish wards of Allington, Hatch Grange and Moorgreen with the addition of two roads – Atlantic Park View and Carpathia Close (previously in the Chartwell ward of West End South) – to the Allington ward.

West End South – which will include the parish wards of Chartwell, St. James, Telegraph Woods and the addition of the Kanes Hill ward, previously part of the Bursledon & Old Netley Borough ward.

West End Parish Council has agreed to support this recommendation.

Yours faithfully,

Councillor Anne Mortimer
Chairman, West End Parish Council
