Comment text:

Bursledon Parish Council supports the inclusion of all of Bursledon Parish in one ward, and the simplification of the ward by the removal of part of West End Parish and inclusion of an additional area of Hound Parish. The Council is concerned that the Commission has not had full regard to the already approved developed due to complete by autumn 2021 that can be considered as part of the Review and recommends that the original submission from the Council and from Eastleigh Borough Council be adopted in place of the Commission's recommendation. Council notes that Ingleside is an integral part of the urban area of Netley Abbey and adding it to Bursledon and Hound North Ward will cause confusion to local electors and create a ward that, in time, will be too large bringing forward the next electoral review
