Dear Sirs

**RE: Electoral Review of Bexley. Further Limited Draft Recommendations**

I write in response to your letter of 2 August regarding the above to strongly support the amended pattern of wards.

I believe the alternative ward pattern for Barnehurst, Erith, Northumberland Heath, North End and Slade Green should be adopted as they better reflect local communities, whilst maintaining similar electoral equality.

Yours faithfully

**Rt Hon David Evennett MP**  
*Lord Commissioner of HM Treasury*
