Good morning

Following the Boundary Commission Draft Recommendations I am writing on behalf of my fellow Heatherside Councillors at Surrey Heath Borough Council to express our thanks and say how pleased we were with your Draft Recommendations on 24th January 2017 in relation to our own boundaries for Heatherside, in particular with Parkside. I believe my colleague spoke with Jonathan Ashby last week and we are subsequently sending this communication.

With our own 'Option 2' being more or less the more favoured option this provided details with our suggested electoral arrangements for the consideration of 3 Councillors for Heatherside and 2 Councillors for Parkside; your subsequent Draft Recommendations received were more or less as per our original Submission Proposal in October 2016 and we wanted to thank you for taking into consideration our submission as well as those made by others in the local community in Heatherside. Your Draft Recommendations were warmly received.

We furthermore agree to the Surrey Heath position in regard to this matter.

Please do not hesitate to contact me should you require anything further.

Warmest regards

Jonathan
