

## Test Valley District

### Personal Details:

**Name:** Jeffrey Channing  
**E-mail:** [REDACTED]  
**Postcode:** [REDACTED]  
**Organisation Name:** Mottisfont Parish Council

### Comment text:

Mottisfont Parish Council which is currently in Dun Valley ward has discussed the proposed boundary revisions affecting Test Valley Borough Council. We understand that the Borough Council has proposed the creation of a new ward to be known probably as Mid-Test which would bring together a number of central Test Valley parishes including Mottisfont. The parish council supports this proposal. We see ourselves as clearly aligned with neighbouring strongly rural parishes such as Broughton, Stockbridge and Kings Somborne. The parish council was firmly in favour of remaining within Hampshire County Council's Test Valley Central constituency at the recent county level review and we are equally in favour of becoming part of the Test Valley Borough Council Mid-Test ward. Mottisfont Parish Council would not support any proposal to include the parish in any southern Test Valley ward
