Organisation Name: Addiscombe Ann Shirley park residents assoc

Comment text:

Regarding ashburton ward. At our agm. for aspra (addiscombe and Shirley park residents association) the residents of glenthorn ave, Shirley park road and Peabody close requested I should appeal against moving these roads into Shirley ward this was discussed at our agm and passed. These roads traditionally belong to the addiscombe local community and as such should not be removed to Shirley ward Regards Steve white (chairman aspra) We would appreciate a response
