To whom it may concern,
I understand you want to change the boundary of the St Nicholas ward. I ~~am~~ am on the residents committee of the St Nicholas Association. We are a registered charity and we have a very strong community in the ward. As a community I don't see why you should change the ward as we only have 3000 houses in the ward.

We have plans for the ward now and in

2.

the future

If its not broken why
fix it. I dont see the
need for change
