Dear Review Officer (Birmingham)

Objection to the Western Boundary of the proposed Glebe Farm and Tile Cross Ward

Following on from my emailed objection sent to reviews@lgbce.org.uk on 4.2.16, I write to lodge my objection in my capacity as a Councillor for the current Shard End Ward, to the western boundary of the proposed new Glebe Farm and Tile Cross Ward. I am supporting the enclosed petition to the Boundary Commission signed by residents in Tile Cross objecting to the inclusion of the Washwood Heath area to the west of the retail park next to Station Road.

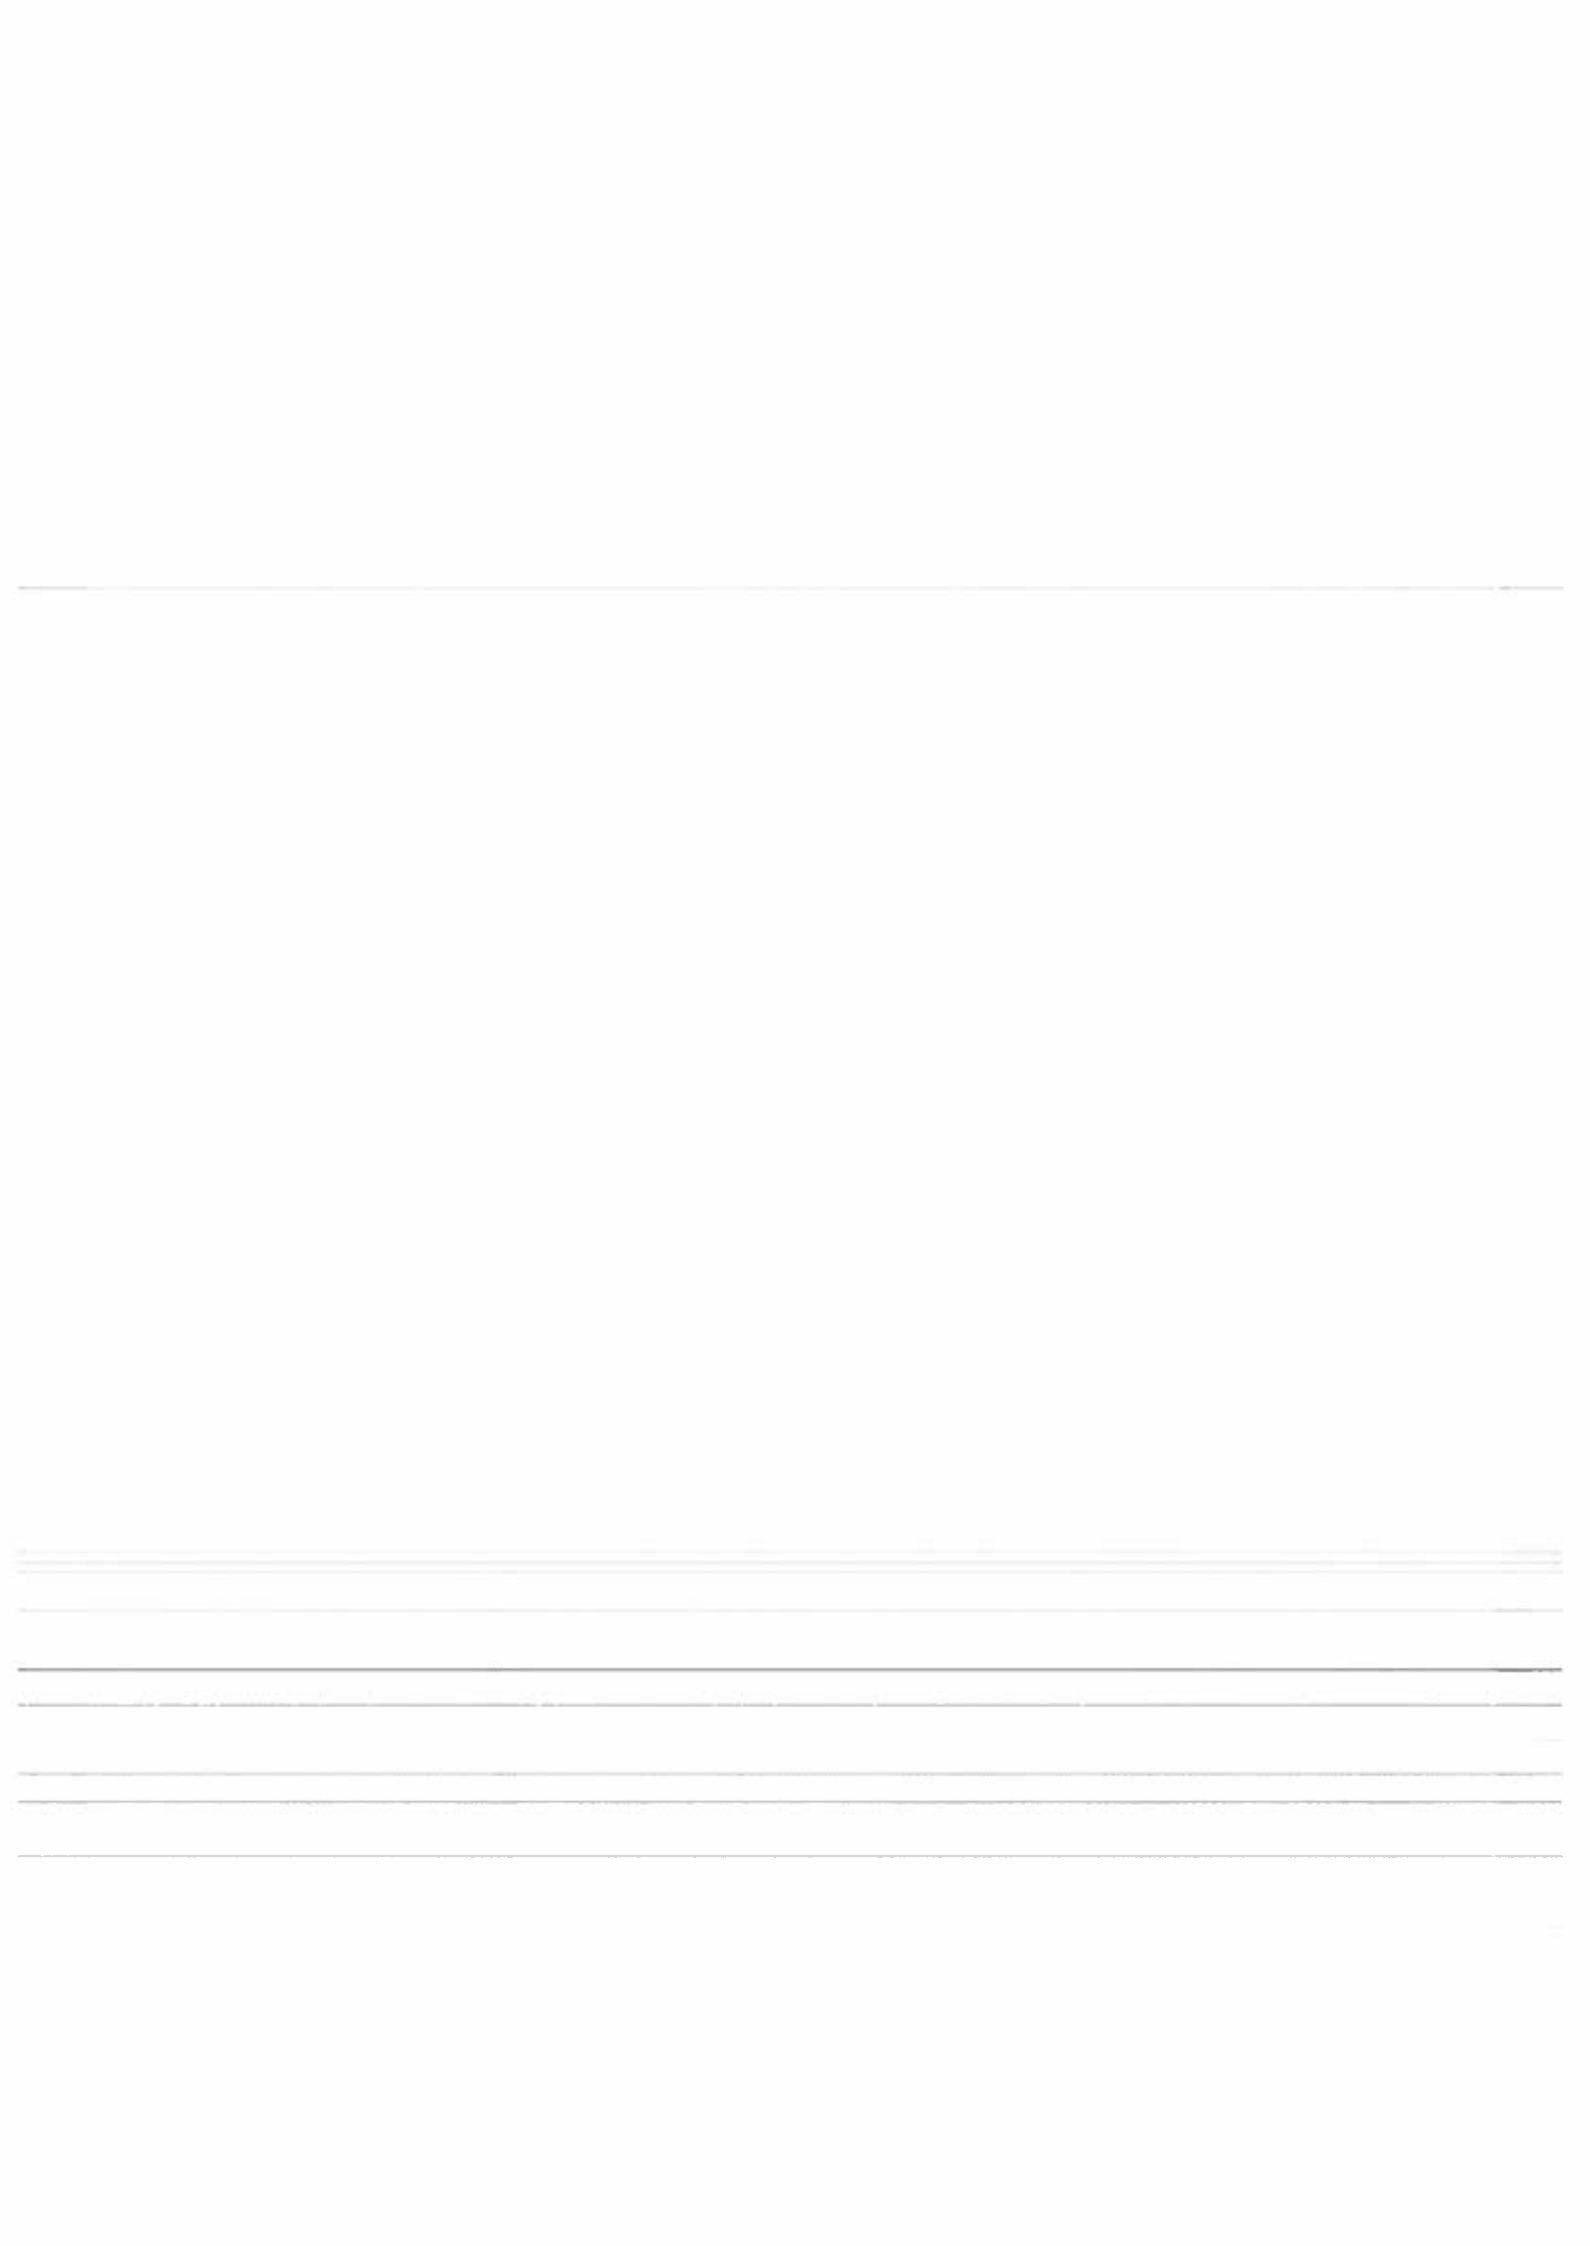

Residents feel that the new boundary should stop at the retail park, bottom of Audley Rd, next to Station Rd. They feel it is wrong to include the Washwood Heath section to the west on the grounds that it artificially combines two communities that are socially and culturally very different. In addition, the organisation of local governance would be very difficult across such different communities. Lastly, the inclusion of a part of Washwood Heath would make service delivery very difficult since this part of Washwood Heath has its services' administration linked up with the rest of Washwood Heath and Saltley.

Yours sincerely

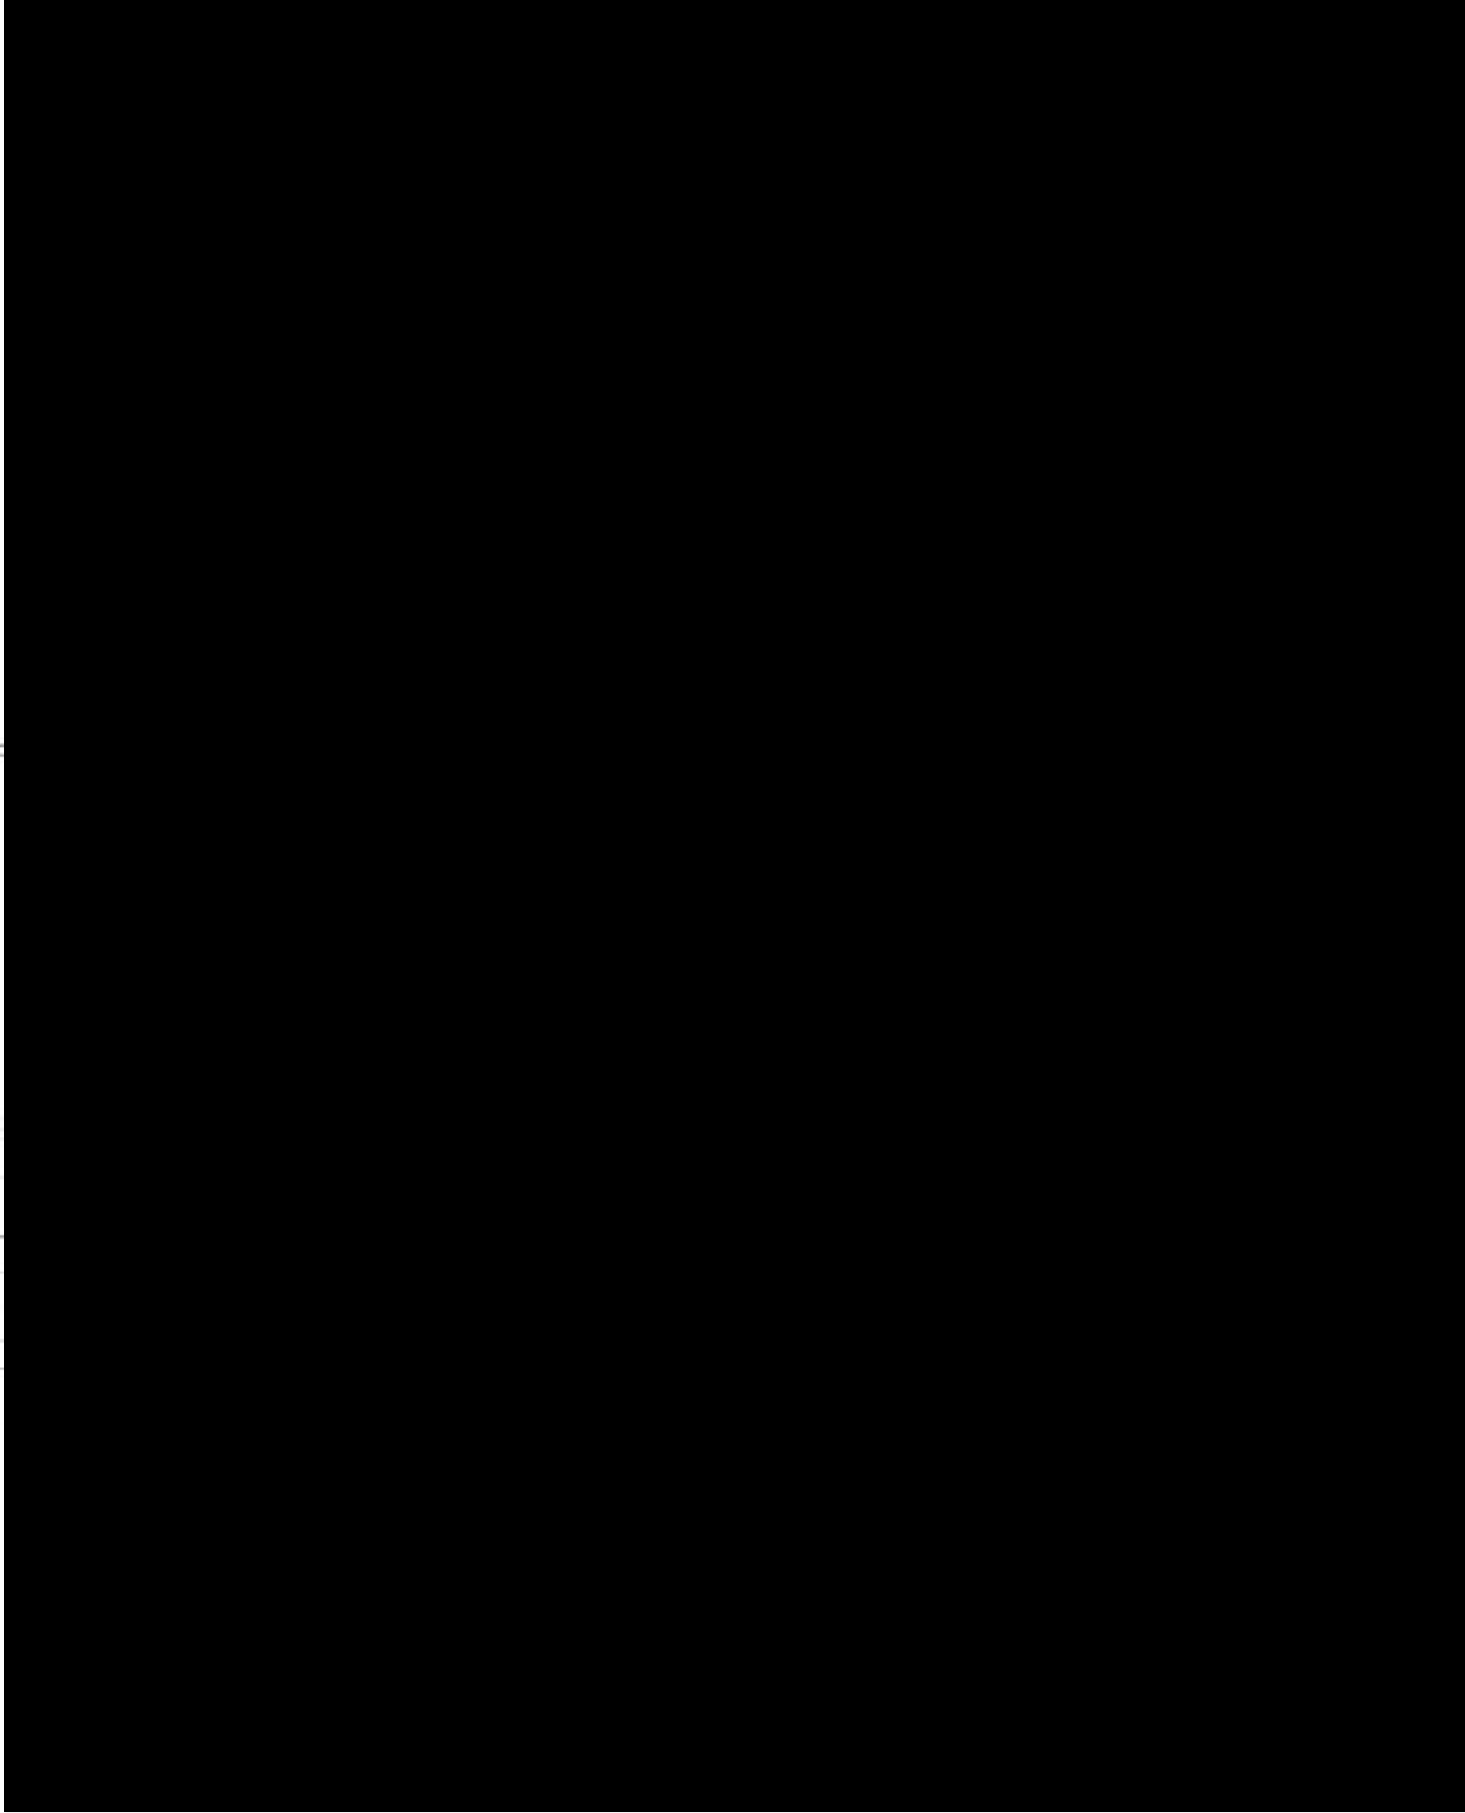

Councillor Marje Bridle

WE THE UNDERSIGNED RESIDENTS OF TILE CROSS OPPOSE THE BOUNDARY COMMISSION PROPOSAL TO PUT PART OF WASHWOOD HEATH INTO THE NEW GLEBE FARM/TILE CROSS WARD. THIS IS BECAUSE IT HAS ARTIFICALLY COMBINED TWO COMMUNITIES THAT ARE SOCIALLY AND CULTURALLY DIFFERENT.
