Comment text:

Dear Sir, I would like to support the objection put forward by Hennock parish council. The proposal to divide the parish council by removing Teign Village and Hennock village is without merit. I and my late colleague Patricia Johnson-King, have represented Chudleigh Ward since May 2015 without difficulty. I do foresee difficulties, as do the parish council, in your proposal to allocate the two villages to the Teign Valley Ward. I understand that the District Councillor for the Teign Valley Ward also has concerns and proposes to write to you, suggesting that you allow the status quo to remain. Regards Douglas Hellier Laing
