

Jolyon Jackson CBE

Chief Executive,

Local Government Boundary Commission.

Dear Sir,

ELECTORAL REVIEW OF HERTFORDSHIRE; FURTHER LIMITED CONSULTATION.

I have lived in Stevenage since 1967. In that time I have seen many changes some for the better, some for the worse. This is the third Boundary Review that I have seen.

The first review was indeed a bit of a mix-up only to be expected with an expanding town. The second was the review which gave us our current Divisional make up. The third review is the current review on which I will give my comments.

The current 6 Divisions are readily identifiable. Each Division is made up from two Borough Wards that makes County Councillors well known to the electorate within their Neighbourhoods. I am aware that over the years some tweaking needs to take place to cover infilling. In my view this should be kept to a minimum so that we try to keep the Neighbourhood system as far as practically possible.

It is for that reason I support your Map A.

Yours sincerely

John Lloyd.
