Subject: Electoral Review of Eastleigh Borough Council: Draft Recommendations

Dear Mr Hind

Thank you for consulting the Parish Council on the draft recommendations of the Electoral Review of Eastleigh Borough Council. Members of the Fair Oak and Horton Heath Parish Council considered their response to the consultation at the Policy Meeting held on 20 June 2016.

Members were disappointed that our initial comments were not taken into account when drawing up the warding arrangements. The recommended removal of the western part of the Parish (Stoke Heights) is not appropriate as this has divided a small part of our Parish into another ward (Bishopstoke). We appreciate that numbers have to be balanced, but both Fair Oak and Bishopstoke is having significant development within the next 5 years and this should be taken into account.

In addition, the Parish Council feels that involving an additional 3 Members of the Bishopstoke ward, including the 3 Members of the ward of Fair Oak and Horton Heath into any related Parish Council discussions is excessive.

I hope that you can consider the Council's concerns, please contact me if you require any further information.

Kind Regards

Cheryl Gosling

Parish Clerk
