Subject: Teignbridge District Council, boundary review

I write on behalf of the Ashton Parish meeting to object to the proposed changes to the Teign Valley Ward.

The existing ward includes the parishes along this part of the Teign Valley. All are essentially rural, with a common heritage, as exemplified by the close links between churches.

The intention, as described by our Ward Councillor, to remove Dunsford and include Hennock will place the former with parishes more distant from it and, apparently, separate Hennock from Chudleigh Knighton, with which it is currently linked.

The view of our Parish Meeting was clearly that we wish to retain the status quo.
