

## Manchester District

### Personal Details:

**Name:** Paul Murphy

**E-mail:**

**Postcode:**

**Organisation Name:**

### Comment text:

I am a resident of Fairview Avenue. At present and under the proposals this falls under the Rusholme ward. However, this small neighbourhood (West Point) is effectively cut off from the rest of Rusholme via a train line and it make little sense to have it as part of that ward. Most residents of West Point identify as belonging to the Levenshulme community, and use local amenities in the Levenshulme Direct Centre rather than in Rusholme, which is nearly 3 times farther away. It would make much more sense to have the boundary in West Point along the rail line, rather than the road.
