Dear Sir,

ELECTORAL AREA REVIEW
SOUTH HOLLAND

As Chairman of the Committee for South Holland District Council which investigated and made recommendations to the Boundary Commission into the proposed Electoral changes for the District.

I am deeply distressed that little notice was taken of our recommendations to keep Deeping St. Nicholas as a separate ward.

Deeping St. Nicholas is a unique Ward/Parish in that it is sparsely populated. In my opinion it is of little point in 'just looking at a map of the area'. Did anyone think of looking round the area in daylight? Or for that matter looking at the area at all.

The people of the District, and I count myself as one of those, know the area, this is why we made the recommendation that Deeping St. Nicholas should be allowed to remain a one member District Ward.

I trust that you the Review Board take notice of the people of the area, and allow Deeping St. Nicholas to remain as it is of today.

Yours faithfully,

Delia Williams (District Councillor)
