**Comment text:**

Stratford-upon-Avon Town Council concurs with the findings of Stratford-on-Avon District Council's Elections Reference Group for the warding arrangements for the town of Stratford-upon-Avon, which equates to nine wards: Bishopton, Hathaway, Elm, Guild, Avenue, Clopton, Welcome, Tiddington and Bridgetown. The Town Council would have no objection if these wards became the wards for the Parish. Council has eighteen members, and as the wards are roughly equal in terms of electorate, would recommend two members per ward.
