Dear Sir/Madam

I have seen the submission of the Brompton Association sent to you on 14th May.

As MP for the parliamentary constituency which includes Brompton, I wish to strongly associate myself with their representations.

Brompton is a healthy community with its own identity. To split its Council representation between the other wards would be irrational, unreasonable and harmful to local interests.

I must ask the Boundary Commission to reconsider this proposal.

Yours faithfully

dictated by Sir Malcolm Rifkind, MP
and signed in his absence
