FAO Review Officer (Teignbridge)

October 12th 2016

Dear Sir/Madam

North Bovey Parish Council met on 11th October 2016 and debated the merits and disadvantages of various proposals on future electoral arrangements for Teignbridge District Council

This matter was discussed at length and it was RESOLVED that the Clerk write to the Boundary Commission to express that

North Bovey Parish Council does not accept the proposal

It does not consider that the Parishes of Tedburn and Dunsfold share any of the geographical or community interests or Planning Authorities with the remaining Parishes

North Bovey Parish Council suggests that one ward comprise Tedburn and Dunsfold to be served by a single member and that the second member represent the remaining Dartmoor parishes thereby splitting the larger proposed ward into two - each with one member representing its interests

Yours Faithfully

Karen Gilbert

Clerk to North Bovey Parish Council
