Comment text:

As a resident of [REDACTED] The Parklands Cockermouth CA13 0WW it transpires that for voting purposes in Allerdale Elections we are now treated as belonging to the Broughton and St Bridgets Ward. Since 2004 as we geographically are in Cockermouth we have voted In the Christchurch Ward for local Allerdale elections. The matter is further complicated in that the Council Tax Precept goes to Cockermouth and not Broughton and St Bridgets! This I understand is that the Cockermouth boundary has been extended in 2004 to near the A66 roundabout hence the receipt of the council precept. My submission is that it would seem sensible to redraw the Christchurch Ward map incorporating The Parklands Estate and give the residence the confidence that they do belong to Cockermouth and NOT Broughton and St Bridgets as is now. If this suggestion is not changed it hardly seems fair that the residence of The Parklands pay the Cockermouth precept whilst as is now have no rights in local authority elections !
