Dear Sir/Madam,

Future Electoral Arrangements for South Holland in Lincolnshire.

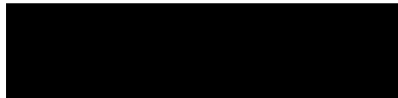

Gosberton Parish Council were shocked to receive notification of your final recommendation in respect of the future electoral arrangements for South Holland.

You recommend that Donington, Quadring and Gosberton become a three member ward. We are three entirely separate and different villages. In view of the political situation on South Holland District Council your recommendation could result in three councillors being elected from Donington village, who know nothing about Gosberton. Did anyone from the Boundary Commission visit the villages concerned?

We understand South Holland District Council support our view regarding this matter.

PLEASE, PLEASE CHANGE YOUR MIND.

Yours sincerely,

Clerk to the Council.
