Dear Sirs,

I propose that the "Arden Triangle" be formed as one ward.

The "Arden Triangle" is the area bounded by Warwick DC/M40, A3400 and A46. It comprises Preston Bagot, Langley, Claverdon, Wolverton, Bearley and Snitterfield.

All parishes lie in the West Midlands Green Belt and suffer significant development pressure.

The Parishes of Bearley and Snitterfield link socially and Claverdon, Preston Bagot and Langley link socially. Wolverton has social links to Norton Lindsey in Warwick DC.

The current proposal puts Claverdon and Snitterfield in a ward with non-Green Belt parishes.

Yours faithfully,

John Horner
