LITTLE HALLINGBURY PARISH COUNCIL

Dear Mr. Kingsley,

Electoral Review of Uttlesford

The proposal to ensure that each District Councillor represents approximately the same number of electors seems to be a logical move, and we hope this would be agreeable to those affected.

We note that the ward of Broad Oak & The Hallingbury's has only a 1% variance, and we presume therefore that our District Council representation will remain unchanged.

Yours sincerely,

Mrs Freda Townsend,
Clerk to the Council of Little Hallingbury.
