Dear Mr Lawrence,

**Electoral Review of Wyre Forest**

Following your letter of the 25<sup>th</sup> June 2013, we spoke by telephone when I mentioned that the Town Council would be able to give consideration to your letter at its subsequent Meeting which was to be held on the 6<sup>th</sup> August 2013. You kindly agreed that the Council could comment if its views were made known within a reasonably short time after the Meeting. My apologies if this letter has taken a little too long to be sent to you.

Basically the view at the moment within the Town Council is that the Review really ought not to take place, or be concluded, until the issue of democratic representation for the Town of Kidderminster has been resolved. That is to say, it is unknown at the moment whether the Town of Kidderminster will in due course be conferred with the status of a Parish and it is therefore considered that the appropriate time for the present Review to be conducted is when a decision about the status of the Town of Kidderminster has been taken.

I hope please that it will be possible for the foregoing view of the Town Council to be taken into account.

Yours sincerely,

Town Clerk
