

## Warwickshire County

### Personal Details:

**Name:** fiona Wardle

**E-mail:** [REDACTED]

**Postcode:** [REDACTED]

**Organisation Name:**

### Comment text:

the map won't allow me to draw, i believe if change has to happen Nuneaton ...all parishes, should become 1, also all Warwick as 1, and Stratford as 1. amalgamate Hartshill with Atherstone, Bedworth & Bulkington, Alcester & studley. smaller parishes may benefit from becoming larger as they will have a more equal population ....although something that has been in place for years works OK so why change anything at all? very typical ...keeping someone in a job when it's a job that really is of low priority when we have drains that need cleaning and roads that are a disgrace & get overlooked, by fixing roads and clearing drains EVERYONE in the county would benefit form the money spent. I personally think priorities of the county & country are a disgrace. Back to basics is where they need to be instead of living in ivory towers, and spending when it is unnecessary in the current economic climate.
