Subject: Warwickshire County Council Boundary Review

Dear Sir,

**Re: Warwickshire County Council Boundary Review
Submission from Nuneaton Conservative Association**

In response to the public consultation regarding the current boundary review of Warwickshire County Council, the Nuneaton Conservative Association would like to endorse the submission made by the Conservative Group at Shire Hall in relation to Nuneaton and Bedworth.

The overall recommendations made in respect of Nuneaton and Bedworth are broadly supported by our Association. We believe that each individual voter across the County should have equal representation and therefore wholeheartedly welcome that the Commission has found that there should be 57 single member divisions, meaning that representation at Shire Hall is equal regardless of whether you live in Nuneaton or Stratford upon Avon.

The Association also supports the Conservative Group at Shire Hall's recommendation for division name changes in Nuneaton in order to retain an element of local identity for voters and hope that these will find favour with the Boundary Commission.

Yours faithfully,

David Hawley - Chairman of Nuneaton Conservative Association
Kristofer Wilson - Deputy Chairman (Political), Nuneaton Conservative Association
