Please find attached, a petition submitted by residents at the Bartley Green Ward Committee meeting held on Thursday 28th January 2016, 7.30pm, at Long Nuke Tenants Hall, Long Nuke Road, Bartley Green, Birmingham, B21 1DP. The details are as follows:- Petition and Motion from the residents of Harborn Rise and Wentworth Way - Bartley Green Ward Committee call on the Boundary Commission to recognise that Harborn Rise and Wentworth Way has been part of the Bartley Green Ward and Community since the creation of the new ward in 1984 and wishes to remain that way. The proposed plans do not support community identity as we have a strong identity with Bartley Green. We object to the proposals as we do not believe that it provides for effective or convenient local governance, especially with our current excellent ward councillor representation, which if the current proposals go ahead - would deteriorate. The disruptive effect of the numbers game is not welcomed by residents. Although the number in our community is small, the attachment and community spirit within Bartley Green is very strong. The petition contains 130 signatures

Recognition Team.

Bartley Green Ward Committee call on the boundary commission to recognise that Harborn Rise & Wentworth Way has been part of the Bartley Green Ward and Community since the creation of the new ward in 1981 and wishes to remain that way. The proposed plans do not support community identity as we have a strong identity with Bartley Green. We object to the proposals as we do not believe that it provides for effective or convenient local governance, especially ~~the~~ ^{with our} current excellent ward councillor representation, which if the current proposals go ahead – would deteriorate. The disruptive effect of the numbers game is not welcomed by residents.

ALTHOUGH THE NUMBER ^{is} ~~of~~ OUR COMMUNITY IS SMALL, THE ATTACHMENT AND COMMUNITY SPIRIT WITHIN BARTLEY GREEN IS VERY STRONG
