Dear Cllr Chapman

I believe your email is intended for the Local Government Boundary Commission for England, who deal with ward boundaries, rather than us, who deal with Parliamentary constituency boundaries.

Dear Sir,

Re the above.

I wish to object to the proposals for Old Dean, St.Paul's and Town Wards and request that the Commission to reconsider the original submission from the Council.

In relation to the proposal to move properties South of the A30 from St Paul's Ward to Old Dean Ward, I consider the A30 is a much more recognisable boundary between the Old Dean Ward and always has been.

I consider that the electors identified to move from St Paul's Ward do not share any community with the electors in the Old Dean Ward whatsoever.

With reference to the community identity, many of the residents in the area and properties South of the area are connected to the St Paul's Church, Camberley, which is within the ward. The ward has no other community building and it is the church which covers this role and is used regularly on a daily basis by many groups.

Yours sincerely,
Vivienne Chapman
