### Comment text:

I would like to see Mottisfont added to the Broughton & Stockbridge ward. Mottisfont is very closely linked to both Broughton and Stockbridge. We have a Broughton & Mottisfont Village Bus and Mottisfont is within the Broughton Benefice. Also some Mottisfont residents use the Broughton GP surgery. Mottisfont is also in the Test Valley Central Division of Hampshire County Council. If Mottisfont and the rest of the Dun Valley Ward is merged with the Broughton & Stockbridge Ward could I suggest the new ward name is called Mid Test Ward.
