Sir,

I write to comment on the Boundary Review consultation on behalf of the Friends of Selsdon Wood.

At present Selsdon Wood is split between two wards, Heathfield at the Forestdale end and Selsdon and Ballards at the Selsdon end. Whilst we haven't experienced any problems it does seem sensible to join the two areas so that there is one ward that contains the woods and recognises it as one area, which it clearly is. I hope the current recommendations go forward to the final scheme with Selsdon Vale and Forestdale as one ward.

regards

Heather Govier (FSW Chair)
