I would propose that the Alamein ward should be redrawn to only cover the urban part of the Andover. This would include the historical estates of King Arthur's Way, Roman Way and Cricketers way plus the new development at East Anton (Augusta Park). I would suggest adding the rural parts of the ward Enham Alamein, Finkley and Smannell to Bourne Valley and reducing the Alamein Councillors to 2 members. Geopolitically this makes sense with how the local residents move/work and socialise.
