

**City of Nottingham****Personal Details:****Name:** Mark Evans**E-mail:** **Postcode:** **Organisation Name:****Comment text:**

The Radford and Park Ward should be split so that the Park is a separate ward using Derby Road as the boundary to the North with the other boundaries remaining the same. The Park Estate has been a community since the Park was established and deserves its own representation on the City Council. At present the ward has three councillors sitting in the City Council - The Park Estate is approximately one third of the Radford & Park ward and The Park should have their own councillor to represent them.
