

# JUNIOR SIZE GUIDE

## HOW TO MEASURE

If you're on the borderline between two sizes, order the smaller size for a tighter fit or the larger size for a looser fit.

**Chest** - Measure all the way round - across fullest part of the chest. Try to keep tape level.

**Waist** - Measure all the way round - taking the tape around the natural waistline.

**Inside Leg** - Unlike the other measurements which are body measurement, the inside leg measurement corresponds to the length on the trouser. Measure from the crotch to where your trouser is normally worn on the shoe.
