

29 April 2021

Dear Neighbour,

NOTIFICATION OF WORKS | St Helier Survey Series, May 2021

I'm writing to let you know of the upcoming surveys, for which we have received the requisite permissions from Parish of St Helier (POSH) and are scheduled to start from 03/05/2021.

The surveys are vital in informing our design, the environmental impact assessment and the planning process.

Works and duration

The expected dates and duration for the survey works are:

Starting	Area/s and works	Expected duration/ timings
03/05/2021	Zones 1-5: Photographic	Intermittent: Approx. 1 week (08:00-17:00)
03/05/2021	Zone 1, Westmount Road: Geotechnical Investigation	Approx. 2 days (08:00-17:00) Traffic management in place. Bus route No.19 affected, and bus stops, 2454 Castle View and 3762, will be out of action on 05/05/2021. <i>See overleaf for details.</i>
03/05/2021	Zones 1-5, Westmount Road: Transport	Full time: Approx. 2 weeks (08:00-17:00)
17/05/2021	Zones 1-5: Acoustic	Full time: Approx. 2 weeks (08:00-17:00)
11/05/2021	Zone 1&5: Utilities	Full time: Approx. 3 days (22:00-06:00)

At this point in time, we anticipate this survey series to be completed by Monday 31 May 2021.

Working hours and activity

During these surveys we will keep any disruption and working noise to a minimum. All surveys will be conducted during normal working hours, Monday – Friday 08:00-17:00, with one exception – the utilities survey, which will be done overnight (22:00-06:00) to minimise road disruption. The sub-contractor, Encompass, will be lifting and closing manhole covers in the road.

We provided a description of each type of survey during a Special Briefing on 23/03/2021. You may find the presentation slides and the video recording of the briefing on our website: www.ourhospital.je/news-and-updates/article/special-briefing-survey-application

Geotechnical Investigation: The sub-contractor, Amplus will be taking core samples from three locations along a stone wall, on POSH land. To ensure safety for all, traffic management will be in place on Westmount Road during this survey.

On 05/05/2021, Westmount Road from the south will be access to premises only, up to the Bowling Club; and from the north, will be access to premises only from Tower Road. This will affect bus route No. 19 and bus stops, 2454 Castle View and 3762 Westmount Park, which will be out of action. Visit the Liberty Bus website for the latest information: www.libertybus.je.

Keeping you informed

We are keeping islanders informed in the following ways:

- On our website, under News & Updates: www.ourhospital.je
- Social media channels on Facebook, LinkedIn and Twitter
- By email to those neighbours who have subscribed to receive email communications
- By letter drop to those neighbours within the zones where surveys are taking place

If you have any questions or concerns regarding these surveys, please call the Our Hospital Project Office on 01534 481297, Monday to Friday 09:00 - 17:00, or email: hello@ourhospital.je.

Yours Sincerely,

David Fraser

Project Manager, ROKFCCJV
