

07 October 2021

Dear Neighbour,

NOTIFICATION OF WORKS | Drainage surveys: Lewis Lane and Lewis Street

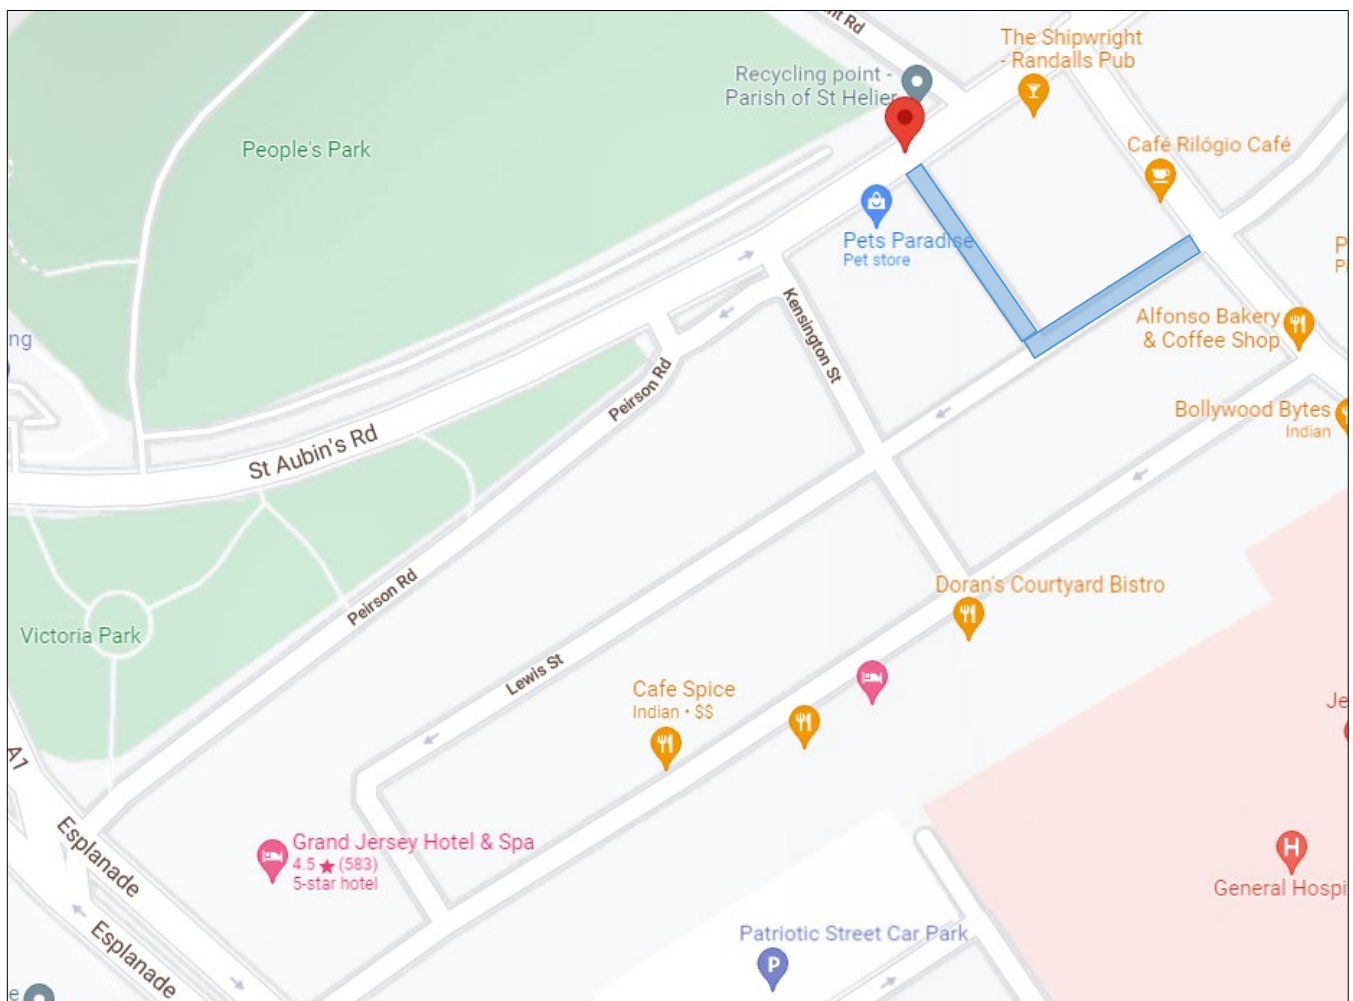

I am writing to let you know that on Tuesday 12 October 2021, Elite Drainage, on behalf of ROK FCC JV, plan to carry out a drainage survey on Lewis Lane and a section of Lewis Street. The Parish of St Helier has granted us the permit required to carry out these surveys has been granted by Parish of St Helier.

Works and duration

The drainage survey company will access the drains via the manhole covers and drop a CCTV camera into the drains. The survey is anticipated to take four hours in Lewis Street and four hours in Lewis Lane.

The survey data will help us establish the capacity and conditions of these drains, as they relate to the new hospital site, up at Overdale.

Area/s – marked in blue, in map below	Dates	Expected duration/ timings
Lewis Street	Tuesday 12 October 2021	09:00 – 13:00 (approx. 4 hours)
Lewis Lane		13:00 – 17:00 (approx. 4 hours)

Working hours and activity

Our surveyors will be working during normal business hours, Monday to Friday, 09:00 – 17:30. The activities involved in these surveys are non-intrusive, and any working noise will be kept to a minimum. Controls will be in place to manage traffic flow and required access for cars and deliveries.

Keeping you informed

We are keeping neighbours, Parish and the general public informed of these works in several ways:

- Letter drop notification to residents/businesses within the survey zone
- Our website, www.ourhospital.je
- Our social media channels on Facebook, LinkedIn and Twitter

If you have any questions or concerns regarding these surveys, please contact the Our Hospital Project office on 01534 481297 during business hours, or email: hello@ourhospital.je

Yours Sincerely,

Steven McLachlan

Project Manager, ROK FCC JV
