

PETARDS GROUP PLC (“Petards” or the “Group”)

Contract Win

Petards, the AIM quoted software developer of advanced security and surveillance systems, announces that it has been awarded a contract to supply Bombardier Transportation (“Bombardier”) with Petards *eyeTrain* systems.

The new contract, which is worth in excess of £2.7 million, is for the supply of Petards *eyeTrain* systems as part of a Class 172 modification programme.

Engineering activities will commence immediately with the first equipment deliveries starting in January 2019 and it is expected that the project will be completed in 2020.

Commenting, Petards Chairman Raschid Abdullah said;

“We are delighted that Petards has been selected by Bombardier to work with them on this exciting project and supply our innovative *eyeTrain* systems. This new order adds to our already significant installed base and strengthens our position as the leader of on train video and data solutions. Additionally it further bolsters the Group’s present order book for delivery in 2019 through to 2020”
