Personal Profile

I am a very positive bubbly person who is easily to get along with and is more than capable of working independently or as part of a team, having proven to be totally reliable and always punctual. With excellent organizational skills and a good work ethic, tasks are carried out conscientiously, efficiently and effectively. I have a strong thirst for knowledge and a desire to gain and employ new skills. Having just graduated from BA Bespoke Tailoring at London Collage of Fashion, I am looking for a bright future in Tailoring and/or Costume. I may have little experience in the trade but I offer you a passionate and hardworking employee who will give you 110% in all thing she learns.
