

Parent's Meeting

Tuesday 12th September
2017

8.50 – 9.15 a.m.

Maths

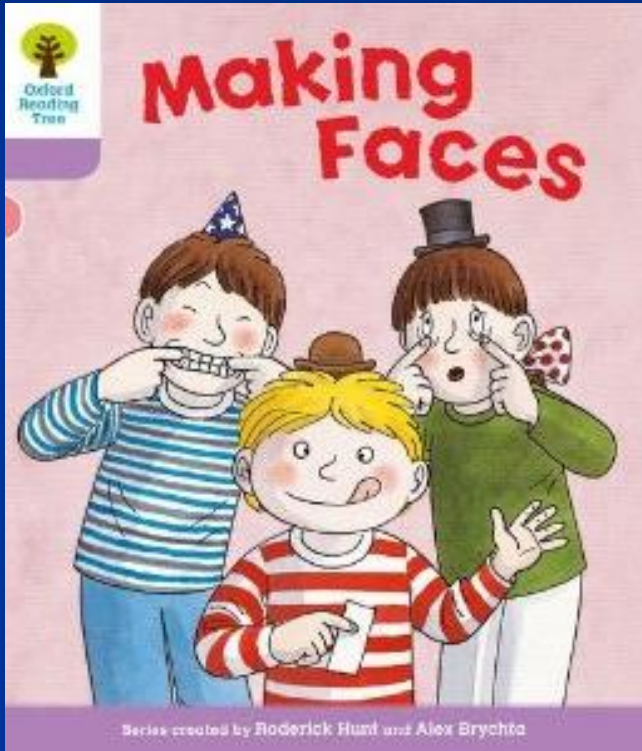

- Take advantage of opportunities for maths at home and outside.
- Vocabulary more than, less than, altogether and shape names and their properties.
- When shopping talk about measures and money.
- Shape: can you spot them? 3D too!

Reading

- Try to share books everyday and make sure that they are looking at the book covers *before* starting the book – Having a guess what it is about!
- Encourage your child to begin to look for letters and words they may know.
- Talk about the illustrations, finding details and added depth to the story or information.
- Fiction and non fiction

Comprehension

- What game are they playing? Read it together, do they know the game now?
- Is dad really fierce?
- Whose birthday is it? How do we know?
- Do you really think mum is 21? Then why does it say 'again'?

Reading

When your child is ready for reading a book confidently and fluently you can extend this by looking at

- using expression and discussing key words.

then... it's time to play games!

- *Change the story / ending*
- *Find words (or words beginning with ..)*
- *Cover up the pictures – are they still as fluent?*
- *Copy out the words / draw pictures / write a review (I like this book because...)*

High Frequency Words

- Practise daily – as often as possible
- Find the words in other places (their school reading books, on the computer – in the shops!)
- Practise writing and spelling the words
- Encourage your child to make up phrases/sentences and draw pictures.
- Think capital letters for names and sentences

**Thank you for your
time.**

Any questions?
