### Ethos and Values

#### Our Vision Statement

#### Learning: The Journey of Life 'Making Every Person Count'

A warm welcome. I hope that our website is informative and provides an overview of some of the exciting learning experiences we share at Pottery. My staff and I work hard to value and look after the needs of every child; we aim to make their time here as enjoyable as possible and one that they will remember.

Our school is very much a friendly and caring community, with governors, parents, staff and children working closely together. We aspire to ensure that every individual is the very best that they can be.

#### **Objectives:**

We are committed to a learning environment where LEARNING IS:

Lifelong  
Engaging  
Achieving  
Respectful  
Nurturing  
Exciting  
Risk Taking  
Safe

We aim to achieve this through continually developing and providing:

- A stimulating and motivational learning environment that fosters independent learning,
- Enthusiastic and committed staff,
- Creative and sporting opportunities.

Pottery Primary is a school that we are all immensely proud to be a part of. If you have any questions or need paper copies of any information on this website please do not hesitate to contact the office staff (Mrs Garnett, Mrs Spencer or Mrs Holloway) on:
