Moving into phase 4
Sentence writing and
structure.

Using and applying
sounds and names
of letters.

In literacy we are learning to.....

- Write phonetic sentences.
- Embed the use of capital letters, full stops and finger spaces.
- Make sure that our sentences make sense.
- Read back our own and other children's sentences.
- Use a variety of common irregular words in sentences.
- Write pieces of work that contain more than 1 sentence.

In numeracy we are learning to.....

- Know everything about each number from 0 to 30
- Use mathematical language when talking about shapes.
- Use different resources to help solve problems.
- Add and subtract numbers to 10 then 20.
- Double and halve numbers to 20.
- Explain and record what we have done.
- Investigate our own mathematical problems.
