

Year 5/6 Parents' meeting 18.4.18

Topic work

Our topic for this term is 'Awesome Egyptians' where we will be learning all about Ancient Egypt. For further detail please see our topic web on our class pages.

Reminder about times tables

All children should now know all division and multiplication facts for times tables. Please keep practising and revising (especially division facts). Knowing tables enables children to access daily mathematics efficiently.

Reading

Please keep reading and discussing books with your child. We cannot emphasise enough the positive impact this has on your child's education.

Spelling

Spelling is an important aspect of the new curriculum. Please keep practising spellings with your child regularly and encourage them to spell correctly, when they complete any written homework.

Year 6 SATs

These are the week beginning 14th May. As with last year, Karen (the cook) will be providing breakfast during this week in the hall before school.

Summer Term PE / keeping cool

Please make sure your child's PE kit is in school all week; we try to take any opportunity available to use the field during the summer term and this may not always be on an allocated PE day.

Children may wear a sun hat for PE.

PLEASE LABEL YOUR CHILD'S CLOTHES

PE session during the summer will be outdoors so please remember to bring appropriate kit including a sweatshirt and tracksuit bottoms.

Hair should be tied back and glasses secured with a band (these are available to buy in the office).

Children may bring water in a bottle to drink in class. Please make sure your child's bottle is named and remind them to bring it home each weekend.

Please make sure your child brings flat (book bag size) bag to school
