## What's happened/happening?

We welcome back **Mrs Locker** who is returning to teaching year 4 following maternity leave.

The **Action Medical Research Garden Party** last month raised over £4,500 for the charity. Thank you for all your support.

**GDPR** The General Data Protection Regulation came into effect on the 25<sup>th</sup> May. It affects how we gain permission from you regarding data we keep, share and erase. For more information please see our privacy notice on the website and visit this very user friendly clip on Youtube to find out more:

**Party** We had a lovely picnic followed by dancing to celebrate the Royal Wedding. Isla's grandma (reception) donated flags, bunting and wedding cake for the event, for which we were very grateful.

**Summer and Sun Safety** Please ensure your child has a **hat** to protect them from the sun. This does not have to be a Pottery one it just has to do the job and have your child's name clearly marked/sewn into it.

Please ensure your child has **sun block** applied in the hot weather before coming to school: face, neck, arms and legs. Whilst water is available to all children throughout the day they may have a bottle of **water** on desks during June/July. This needs to be named and taken home on a Friday please.

**School Dinner** If your child has a school dinner and changes to packed lunch you need to telephone or email the office staff with the date that your child is changing from otherwise you will be charged for the lunches (2 weeks notice is required as we do a food order 2 weeks in advance).

**Uniform** As year 2 move to year 3 they move into **NAVY** cardigans/sweatshirts. You can order from the on-line website: [www.pbparentsonline.co.uk/potteryprimary](http://www.pbparentsonline.co.uk/potteryprimary) We have sample sizes in the office should you not be sure which size to order. We have a number of children currently with no badge on cardigans and sweatshirts. Please note this is part of our uniform and our home/school agreement. Badges are available from the link above.

**Safety** - a new app has been launched to provide support and advice to parents and professionals looking after children. The 'HANDi' app has been developed by paediatric consultants and helps provide advice when your child is unwell. You can download from the app store onto an iPhone or iPad.
