

PE and Sport Grant

Background

In April 2013, the Government announced new funding of £150 million for physical education (PE) and sport, to be used to improve the quality and breadth of PE and sport provision. Funding was allocated to all maintained and state-funded schools with primary phase pupils from September 2013.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

Pottery received £9,389 in 2018/19

We have used the funding in the following ways:

Action	Reason	Impact	Cost
Bought into the 'Amber Valley School's Sports Partnership'	Allows children access to competition events against other Amber Valley School. Some children 'talent spotted' at these events and subsequently join the club e.g. Athletics. Provides 'Bikeability' (cycling proficiency) 6 hr course for our Y5 children. They can then safely ride bikes to school and back.	Children taken part in a wide variety of competition opportunities (including swimming this year). Improved individual and team successes in area and regional competitions 34 Y5 children completed the bikeability course and can cycle safely on known roads.	£1,200
Employed specialist coaches during curricular PE time (Premier Sport) to work alongside teaching staff	Staff CPD. This opportunity skills up our class teachers, also enabling a smaller adult: child ratio so the children benefit.	Staff increase knowledge and skills. Pupils experience wider range of opportunities e.g tri-golf. Pupils have more 1:1/small group coaching due to ratio. Improved quality of performance.	£7,000
Improved level of fitness of pupils	Identified need. Engaged Premier Sport to lead these whole school each term, set action plan to be achieved for following term test.	Children keen to see improvement. Y6 were not happy that Y5 had better overall fitness scores and worked hard to improve this. Children healthier and more active.	

Ensured all children accessed after school physical education clubs by subsidising costs where children are eligible to FSM or in receipt of Pupil Premium	When audited participation, those children eligible to FSM were not accessing extra-curricular opportunities. Those in receipt of pupil premium 2/3 not accessing due to limited finances.	Increased take up of after school sports clubs from children in receipt of pupil premium/FSM.	£1,500
Forged links with local sports clubs	Children aware of what is on offer locally and are signposted to relevant club/s	Some children joined local clubs.	N/A

Pottery is receiving £9,389 in 2019/20 for the PE/sports grant, additionally the Government has released further funding to schools £9,341 in order that schools invest in promoting healthier lifestyles. This is called 'The Healthy Pupils Capital Programme' bringing the total funding to £18,730.

Expenditure Plan 2019 - 2020

Buying into the annual 'Derbyshire School's Sports Partnership'	£1,200
Employing specialist coaches during curricular PE time (Premier Sport)	£9,690
Releasing PE co-ordinators to audit sport participation and impact	£ 600
Providing cover staff to release teachers for professional development in PE, sport and physical activities	£ 400
Providing swimming sessions so that children are competent swimmers	£3,000

£3,840 remaining to be carried forward for when 'New Build' project completed with a view to a fitness course being installed on lower playing field.
