10.4.20

Dear All,

I hope this email finds you all safe and well. In these unprecedented times we are all finding our way and developing a new 'norm.'

Here at Pottery we remain open for children of keyworkers and those who are vulnerable. Their routine will be very similar to yours, some exercise, followed by some literacy and numeracy using the uploaded material and then a variety of topic, craft, cooking, sport and games.

On Monday 20th April, the teachers will upload some more resources onto the link for you to access. They will also provide you with email contacts for the relevant teaching staff who will answer queries and be happy to communicate with children (please supervise if your child emails the teacher directly). Teachers will aim to respond to emails Monday to Friday within 24 hours (a late Friday email may be the Monday!)

Mrs Nicholson and Miss Dale (reception) already have a direct communication facility via 'Tapestry' so will continue to use this platform instead of email.

From speaking with a few parents over the last 3 weeks it is mathematics that is 'tricky' so please remember that our wonderful pictorial calculation policies can be found on our website under the policy tab: calculation Y1, calculation Y2 etc. (courtesy of Miss Illingworth and Mrs McGraw) and should provide you with most of the help you need.

However, from the 20<sup>th</sup> you can also email the relevant teacher for help. I can still be contacted: [headteacher@pottery.derbyshire.sch.uk](mailto:headteacher@pottery.derbyshire.sch.uk) and the office staff on [info@pottery.derbyshire.sch.uk](mailto:info@pottery.derbyshire.sch.uk)

I wish you all well, keep safe and I am very much looking forward to seeing you all soon.

Kind regards

Gill Hutton

Headteacher
