22.4.20

Dear Parents/Carers

Our teachers launched the new Pottery learning material on Sunday, which can be accessed here:

The Government announcement on Sunday included the news of the launch of the Oak National Academy online classroom and resource hub

The Academy offers 180 video lessons each week for schools/parents to use across a broad range of subjects. The lessons are for children in Reception through to Year 10 and are free to use by both teachers and young people.

The Oak National Academy can be accessed here:

Launch of BBC Bitesize

The BBC 20.4.20 launched an education package across TV and online, featuring celebrities and teachers, helping to keep children learning at home and supporting parents.

BBC Bitesize can be accessed here:

<https://www.bbc.co.uk/bitesize>

I have been told on good authority that some of the video clips do contain errors so please, if using the clips then watch these with your child/children.

Please avoid the handwriting materials as it is not our school handwriting scheme and will confuse the younger children.

The reception topic is one that reception has already covered but the children might like to repeat, after all Teletubbies in the 90's was popular because it was repeated twice in one episode!

Keep safe and well.

Yours sincerely,

G Hutton Headteacher
