

Year 3 and 4 Parent Flyer: Autumn Term

We would like to welcome both you and your children to Year 3 and Year 4.

Thank you for your continued, daily support; it really has helped to ensure that the school day is running as smooth as possible for the children.

Topic ...

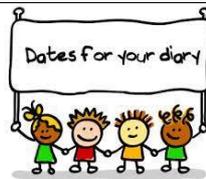

Over the Autumn term our topic will be 'Invaders and Settlers' and within this we will be focusing on: The Romans, The Vikings and The Anglo-Saxons. Alongside this, we will be reading the book 'How to Train your Dragon', and towards the end of the Autumn term, **we are planning to watch the film too, however the rating for this is a PG.** All teaching staff have watched the film and feel that it is appropriate for the children to watch but if you would like to borrow our school copy to watch it for yourselves or if you have any concerns please email your child's class teacher.

We have no school trips or swimming lessons planned at the moment, however if / when this changes we will update you. Parents evening in October may be taking a different format this year e.g. telephone appointments, and again, we will update you as and when the arrangements have been finalised.

We will be setting 'Home Learning' each week for those children who are isolating as well as weekly homework too. You will be able to access this from our Pottery Primary School website - please click on the 'Key Information' tab and then 'Working from Home'. Within this you need to open the folder named 'Year 3 & 4' and everything you need can be accessed from there.

As a kind reminder, please could you ensure that the children remove all jewellery before coming to school, have their names in all clothing, bring a coat and water bottle each day, wear extra layers when the weather is cold, have clean clothes daily and continue to keep things coming to and from school to a minimum.

Homework will be set on a Wednesday and due to be completed the following Wednesday and this will begin on 16.9.20 and due 23.9.20.
